National Service Criminal History Check

New NSCHC eCourse and Fieldprint Webinar on CNCS Knowledge Network

We have added two new resources to our Knowledge Network to help grantees comply with the National Service Criminal History Check (NSCHC) requirements on time, every time:

- **New Online NSCHC Course:** This interactive eCourse provides a thorough overview of the NSCHC requirements. It includes examples tailored to individual programs and spotlights other resources available to help grantees. All grantees and subgrantees **must** complete this NSCHC training every year. - **Recorded Fieldprint Webinar:** We have posted a recording of the webinar on using Fieldprint to obtain FBI checks for individuals in covered positions. View [this webinar](#) to learn how to sign up for an account, navigate the system, and help your applicants schedule appointments. Not sure if Fieldprint is for you? See Section A of [CNCS's Guide to Using to Fieldprint as a Channeler](#).

If you have concerns or questions regarding these updates, please contact your CNCS Program Officer or Grants Officer. Your feedback and questions will help us to develop additional information and guidance.
