### **CNCS Updates to the List of State Criminal History Information Repositories and Approved Alternate Sources**

The CNCS list of statewide criminal history check repositories and alternates was updated on April 12, 2013. The updated list can be found on our [resource page](#). Updates were:

- 1. Updated Web URLs for Oregon and Vermont State Repositories:** CNCS updated the URLs for the Oregon State Police Clearinghouse Unit offering fingerprint-based checks and its Public Records Unit providing name-based checks. CNCS also updated the URL for the Vermont Department of Public Safety.
- 2. Updated Approved Alternate Source for Volunteers Serving in New York City:** CNCS updated the approved alternate sources for checks on volunteers serving in New York City to include the New York Go Pass system.

**Please direct questions regarding national service criminal history checks to your CNCS Program Officer. When a PO is unable to provide an answer, please send your question to [CriminalHistoryCheckQuestions@cns.gov](mailto:CriminalHistoryCheckQuestions@cns.gov) with a copy to your program and grants officers.**
